Johnny's Cafe's On-Site Catering

Thank you for considering Johnny's Cafe for your party needs. Johnny's Cafe is proud to be "Omaha's Original Steak House" with a variety of private rooms that accommodate parties of 10-200. This letter includes important information that we feel is essential to making your event a success.

Private rooms include linen tablecloths, china, stemware and flatware. There is no rental, set up, or breakdown fees. We also feature in addition to the private party rooms the lounge, which is perfect for a casual gathering or the wine cellar which is available during the week for up to 30 people.

We strive to provide the same quality food and service in the party rooms that you expect in the dining room. Your menu options are based on the number of guests expected, and allow us to serve everyone in a timely manner:

All steaks are prepared medium for private parties.

We do ask for your menu selection as soon as possible, it is required a minimum of one week prior to your event. We ask for your guarantee number a minimum of 48 hours in advance. The guarantee number is the number of meals you will be charged for; any uneaten food can be boxed and taken home. The guarantee number can be adjusted up to 48 hours prior to the event.

Payment is due in full the day / evening of your event. We accept cash, local checks and credit cards. For business billing, arrangements must be made in advance and are subject to approval. Private parties are one bill, which includes tax and gratuity. We are unable to do separate checks in the party rooms.

Three options of cocktails are available for the private party rooms:

- Cocktails may be on a tab and added to the dinner bill.
- Cocktails may be cash, where each guest pays for their own.
- The third option is a combination of cash and tab, involving drink tickets, and can be arranged through a manager.

We ask that you please inform us of any special needs, extra tables or special deliveries for your party room. Johnny's Cafe does not allow any food or beverages to be brought into the private rooms. We also ask that you do not use metallic or regular confetti for table decorations. Johnny's Café does offer votive candles on each table for no additional charge.
